YouTuber Vince Hernandez did just that and performed major surgery on his early 1966 Ford Mustang coupe. Most flared cars you see are from the 1980s and newer. ... they do a great job of following the car's natural body lines, ... Our favorite part of the video is the canyon-carving ride-along. The car sounds even better than it looks, and it ...

Ford Mustang Classic With Widebody Flares is Hot ...

However, if you are looking for a restoration candidate, be wary of rust. The unit-body construction of the Mustang means that significant body rust indicates significant structural rust. "A lot of times--with floor rust, in the trunk, the rear frame rails--you gotta
