published in 1971 sold 4 million copies in 14 languages. Considered among the most significant wine publications to date, it remains one of the most popular books on wine, with the most recent eighth edition published in October 2019.

The World Atlas of Wine - Wikipedia

It is a nice wine atlas with detailed maps, beautiful photos and well written and informative text. But, and there is an important BUT here. This is a 2014 translation into English of an atlas published in German in 2007. It seems that it was just translated as was, and not updated in 2014. The wine world has developed a lot since 2007.
