Reiki is a Japanese term which means "universal life energy" -i.e. the energy that lives in all creation, that is inherent to all living beings and that nourishes them and keeps them alive. This book describes exactly how Reiki energy works, the way it can be used and the effects that can be achieved with its help.

Reiki is a Japanese word meaning Universal Life Force Energy. Drawing on ancient practices, which are said to have dated back to Buddha, Reiki balances the energy in the body, renewing vitality and bringing about a powerful feeling of serenity and relaxation through the laying on of hands. Reiki can be used to relieve the problems associated with stress, tension, chronic illness and post-operative pain. In this revised and updated edition Chris and Penny Parkes explain what to expect from a treatment, how it works and how it can be of benefit - and even show how you too can train (very easily) to practice Reiki. Written by one of the few Reiki masters in the UK and featuring the original Usui method, this practical and accessible book reveals the fascinating story behind the discovery of Reiki.

Ursula Klinger-Omenka, author of The Secrets of Precious Stones and Gemstone Power Meditation, successful best-sellers throughout the world, connects two natural, healing powers for an effective mutual effect in Reiki with Gemstones. While Reiki, the universal life energy, brings the physical and emotional functions back into their original harmony, gemstones concentrate light-filled powers and color vibrations into the chakras, whose unrestricted functioning is greatly important for vitality and well-being. By connecting Reiki and gemstone therapy, the powers of self-healing are activated in a natural manner. The author writes on the basis of many years of rich experience in working with Reiki and gemstones. She trustingly places her perceptions into the hands of the reader, who can put them to practical use for the good of all beings with a short time.
