My rating: 4 of 5 stars.
It probably isn't quite
fair to give a book four
stars rather than five
simply because I
couldn't understand
all of it, but that's
what I'm doing. I
think if I read it again,
I would absorb more
of it, partly because
there's so much there

and it takes a while to
percolate and make
sense to me, and
partly because I had
very little exposure to
