Online Library Against Democracy

Against Democracy

Against Democracy is a 2016 book by political philosopher Jason Brennan. The book challenges the belief that the simplified version of democracy used nowadays is good and moral.

Online Library Against Democracy

In his work, Brennan primarily suggests that voters tend to be irrational and ignorant about politics. He believes that there is little incentive for voters to inform themselves about politics, as they believe

Online Library Against Democracy

that one vote will not make a great difference in the overall election results. Moreover, he states that voters

Against Democracy -
Wikipedia

Online Library Against Democracy

Against Democracy is a serious work, not intended for the casual reader. Jason Brennan is an academic philosopher, specializing in the philosophy of politics. In this book, he is primarily addressing his

Online Library Against Democracy

peers, and other serious students of the topic.
