If there are two authors for a particular references, cite the names in the order in which they appear e.g. (Smith & Green 1998). If there are more than two authors of a cited reference, use et al. e.g. (Platt et al. 2004). When referring to two or more texts by different authors, separate them with a semicolon (;) e.g. (Smith 1995, Green 1992).

Animal Behaviour Referencing Style Guide - The Library ...

A colt is a male horse, usually below the age of four years. Description. The term "colt" only describes young male horses and is not to be confused with foal, which is a horse of either sex less than one year of age.Similarly, a yearling is a horse of either sex between the ages of one and two. A young female horse is called a filly, and a mare once she is an adult animal.
