Facts about Atheism tell you about the belief that there is no existence of deities. The people who hold atheism believe that there are no deities. Atheism is the opposite of theism. If you believe that there is at least one deity existing, it means that you believe in theism.

10 Facts about Atheism | Fact File

Atheism Atheists are people who believe that god or gods (or other supernatural beings) are man-made constructs, myths and legends or who believe that these concepts are not meaningful.

BBC - Religion: Atheism

Atheists say that these explain the world so much better than the existence of God.They also say that far from God being a good explanation for the world, it's God that now requires explaining.

BBC - Religions - Atheism: Reasons people choose atheism

Education should outweigh the fear of labeling a child early in life. Teaching kids about religion and atheism is a topic of much heated debate. Some parents feel teaching them about theism or atheism is the same as indoctrinating them with a religious belief. Other parents feel that they do not want their child to be labeled so early in life as either a believer or nonbeliever.
