Atls Study Guide For Physicians | bookstorrent.my.id

The Advanced Trauma Life Support® (ATLS®) program has endured for nearly 40 years across six continents in 86 countries through 64,000 courses offered to more than 1.1 million students. The American College of Surgeons (ACS) Committee on Trauma (COT) course remains true to its core mission—to provide health care professionals with access to education that will enhance their ability to accurately provide an initial assessment, resuscitate, stabilize, and determine next steps in the care ...

ATLS 10th edition offers new insights into managing trauma ...

ATLS®: The ATLS course itself is an excellent way of practicing the theoretical and practical aspects of trauma management. I highly recommend anyone involved in management of trauma patients to do it.

Note : This is not meant as a short cut which negates the need to read the ATLS course manual.
