iPhone User Guide - Apple Support

The user guide provides an in-depth instruction manual for setting up your iPhone, expansion, tips and troubleshooting information, providing not just a useful source of information for the initial setup of your phone, but also providing a focal point to refer back to should you have any other questions as you grow more familiar with your phone. The first thing to consider when you're setting up your brand new iPhone 8 is how to insert your SIM card.

iPhone 8 User Guide and Manual Instructions for Beginners

The user guides above are more instructional and for regular users. Like their larger siblings, the iPhone 6 and 6S are essentially the same device with some minor changes. And, just like those models, the information is almost strictly legal and won't help you learn how to use the iPhone.
