Charlotte Aull Davies stresses that the researcher's own subjectivity need not have a negative effect on their methodology. Reflexive ethnography can create a unique form of material which is not accessible through native texts, but which is neither simply the product of the individual anthropologist's psyche.

~~Reflexive Ethnography : a Guide to Researching Selves and ...~~

It provides practical and comprehensive guidance to ethnographic research methods, but also encourages students to develop a critical understanding of the philosophical basis of ethnographic authority. Davies examines why reflexivity, at both personal and broader cultural levels, should be integrated into ethnographic research and discusses how this can be accomplished for a variety of research methods.
