This book is designed for directors, visual designers and outside staff in order for them to better understand their percussion section. The book teaches these staff members how to go about working with the percussionists and composing drill for them. The book's goal is to allow the full ensemble to benefit more from their percussion section as led by their staff. When everyone is on the same page the percussion section can reach its full potential.

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals (July - December)
