*Bankers, Bureaucrats, and
Central Bank Politics: The
Myth ...*

Molded by specific professional and sectoral backgrounds and driven by career concerns, central bankers with different career trajectories choose predictably different monetary policies. These differences undermine the widespread belief that central bank independence is a neutral solution for macroeconomic management.

Where To Download Bankers Bureaucrats And Central Bank Politics The *Bankers, Bureaucrats, and Central Bank Politics: The Myth ...*

Christopher Adolph, *Bankers, Bureaucrats and Central Bank Politics: The Myth of Neutrality*, Cambridge University Press, 2016, 357 pages In stylised stories of how modern monetary policy should work, much emphasis is placed on reasonably specific announced targets, typically for inflation, and on the role of transparency and other accountability mechanisms that ensure outcomes are kept in line ...

Where To Download Bankers Bureaucrats And Bureaucrats and Central Bank Politics ...

"Bankers, Bureaucrats, and Central Bank Politics is an important scholarly work that raises an issue that economists have largely missed: central bankers are people and have private incentives. How do these incentives affect their decisions? Adolph puts together the first data set on the career paths of central bank decision makers and subjects it to careful empirical analysis. A major ...

Where To Download Bankers Bureaucrats And Central Bank Politics The *Bankers, Bureaucrats, and Central Bank Politics: The Myth ...*

Central bank independence is both a key legal and economic concept. In the economics literature, central bank independence was seen as the solution to the time inconsistency problem in monetary policy, where governments have an inflationary bias. 1 In order to address this bias, economists suggested introducing a commitment to low inflation in monetary policy-making, 2 which in practice was ...
