The Chronicle of King Galawdewos (r. 1540-1559), reporting the nineteen years of the king's reign, is one of the most useful and significant historical sources for the history of Christian-Muslim relation in the sixteenth century of Ethiopia and the Horn. It represents a peculiar text in

G                      Z

# Read Online Bft Virgo

historiography both because of its narrative structure and the underlying sources used by the chronicler.

Numerous Arabisms appear in the text, which eventually suggest that the Chronicle was written by a person with an outstanding knowledge of Arabic, in 1561. The book presents a new critical edition based on

# Read Online Bft Virgo

all available manuscripts and provides some detailed introductory notes and an English translation. The new edition yields philological findings concerning the Chronicle of King Galawdewos in particular and new inputs that call for re-editing the Ethiopian royal chronicles in general. It also adds valuable by
