I can't even imagine how disappointing it would be for a little kid of African heritage to open this book and find that you never see in the pictures that Black Panther has dark skin like he does. Otherwise it was a typical Golden Book, fun story, action scenes, but come on we can do better. 35 people found this helpful

This is a nice book for preschoolers who love super heroes and Black Panther in particular. Since he is obviously too small for the movie, we have used the Little Golden Books for a good age-appropriate way to learn about the super heroes he likes. The Thor one is a favorite in our house. This one is good and is still very age appropriate.
