## Gender roles in the 19th century - The British Library

Women and men were not equal in the 19th century. Women were seen as 'the weaker sex'. This particularly affected middle class women because they had no reason to leave the home or go to work. The ...

## Life for women at the start of the 19th century - The ...

The status of women in the Victorian era was often seen as an illustration of the striking discrepancy between the United Kingdom's national power and wealth and what many, then and now, consider its appalling social conditions. During the era symbolized by the reign of British monarch Queen Victoria, women did not have the right to vote, sue, or own property.

## Women in the Victorian era - Wikipedia

The first organised movement for British women's suffrage was the Langham Place Circle of the 1850s, led by Barbara Bodichon ( née Leigh-Smith) and Bessie Rayner Parkes. They also campaigned for improved female rights in the law, employment, education, and marriage.

## History of women in the United Kingdom - Wikipedia

Victorian women comparing ball programmes, 1882 © During the reign of Queen Victoria, a woman's place was considered to be in the home. Then the mood changed, as charitable missions began to extend...

## BBC - History - Ideals of Womanhood in Victorian Britain

Mary Prince, the first woman to present a petition to the Houses of Parliament in 1829 and Black Harriot, renounced bawd of Covent Garden and mistress to men like Lord Sandwich in the 1770s represent merely the tip of the iceberg of the fascinating discoveries of black women in the 18th and 19th centuries.

of 'superfluous' unmarried women. Several organisations were created to encourage educated middle-class women to emigrate. This was primarily to British colonies such as Australia, Canada, New Zealand or South Africa.

## British Women's Emigration - Archives Hub

This highly original synthesis is a clear and stimulating assessment of nineteenth-century British women. In so doing, it presents a positive but nuanced interpretation of women's roles within their own families and communities, as well as stressing women's enormous contribution to the making of contemporary British culture and society.

## British Women in the Nineteenth Century By Kathryn Gleadle ...

The property rights of women during most of the nineteenth century were dependent upon their marital status. Once women married, their property rights were governed by English common law, which required that the property women took into a marriage, or acquired subsequently, be legally absorbed by their husbands.

## Property Rights of Women in Nineteenth-Century England ...

The women who became legitimately recognized doctors in the British Empire at the end of the nineteenth century were a privileged class of white women from the United States and Europe. Many of them were evangelical. And many of them practiced in the colonies.
