The Brothers Grimm's version is twisted and gruesome, unlike the Disney version, which almost every young girl has seen and adored. The premise is the same, in that Cinderella has an evil stepmother and two horrid stepsisters who make her life miserable by making her do awful chores (like picking lentils out of ashes), and she meets a handsome prince and lives happily ever after.

As Jan Fabel, of the Hamburg murder squad, interprets this twisted imagery, it becomes clear that each new crime is a grisly reference to folk stories collected by the Brothers Grimm. The hunt is on for a serial killer who is exploring the darkest, most fundamental fears hidden in ancient fairy tales.
