Call for Papers Networks have become an increasingly important part of the analytical toolkit used by historians of museums and collections. As scholars have moved away from narrative institutional histories, they have embraced the study of social and material networks as approaches which expand understandings of museums.

Call for Papers — Museums and Galleries History Group

History of Education Review special issue: the history of knowledge and the history of education. In recent years, the history of knowledge has developed into a thriving and dynamic subfield of historical studies, with its own specialist journals, book series and research centres, bringing together the study of a diverse range of periods, disciplines and approaches.

History in Politics is making its first call for papers for the History in Politics Journal (Autumn/Winter 2020)! Our new journal will be a space for Durham academics and students to explore how History in Politics intersect with our themes. Our first journal will centre around 'Revolutions'. If you want to see your work published...

Call for Papers – History in Politics

Call for Papers This online symposium seeks to bring together new approaches to international studies (e.g. affect, material culture, public diplomacy) to examine the significance of gratitude in the history of transatlantic relations. At this stage, we refer to relations in the Northern Atlantic, specifically between North America and Europe.

Calls for Papers – New Diplomatic History

Call for Papers (themed): A.I. – Panic or Panacea. The issue of intelligence lies at the heart of the scholarly lifeworld, although for much of history a topic focussed around a singular, human construct. Today though, algorithms, deep learning and artificial intelligence have emerged into the everyday world.
