Candy Land (also Candyland) is a simple racing board game currently published by Hasbro. The game requires no reading and minimal counting skills, making it suitable for young children. Due to the design of the game, there is no strategy involved: players are never required to make choices, just follow directions.

I loved Candyland as a child and wanted my kids to have it. I chose this version based on delivery time and the default image. The default image is not correct to the product you get, scroll down and you see deep in the description the smaller box, smaller game. It's almost like a knock off, the parts are flimsy, the game pieces are cheap.

Delivery & Pickup Options - 99 reviews of CandyLand "Big selection of candy in barrel after barrel. We go back whenever we visit because it truly is a "candyland" through an 8-year-old's eyes. I'm not that impressed though for two reasons: The candy often tastes stale, and the prices are outrageous."

Candyland is a shop we always visit on a trip to Lincoln City. The kids like to stick up on the way out of town. This trip it seemed that the selection was very much less than usual. COVID maybe. The homemade candy is very good and the service is always super-friendly.
