Chase the dragon is reputedly a
translation from Chinese. The
expression apparently refers to the
undulating movements of the fumes up
and down the tinfoil, resembling those
of the tail of a dragon, a creature found
in many Chinese myths. See also:

Chasing the Dragon's Tail... is indeed one of these books. Manaka was a forward-thinking and innovative acupuncture practitioner who attempted to integrate traditional Chinese energy concepts with the new sciences. [This is accomplished] in a language that is applicable not only to acupuncturists, but to the clinicians of the future."
