Winston Churchill's role in fostering European unity is beyond dispute in Brussels. The European Union's website lists Churchill as one of 11 founding fathers of the organisation. In ...

What Churchill really thought about Britain's place in Europe

Yes Churchill did want a United States of Europe but his vision was that this United Europe would be helped by Britain from within the Commonwealth "Great Britain, the British Commonwealth of Nations, mighty America, and I trust Soviet Russia - for then indeed all would be well - must be the friends and sponsors of the new Europe and must champion its right to live and shine."

Churchill on Europe: The Untold Story of Churchill's ...

Churchill revisited the theme of European unity again just two years later when he addressed the Congress of Europe at The Hague. This praised the response of many European countries to his calls for greater integration and support for one another in his Zurich speech, and emphasised the importance of continued progress:

Churchill and Europe

In March 1942, Roosevelt informed Churchill that the demands of the Pacific war reduced the opportunity for an invasion of Europe by that summer. The U.S. couldn't muster the number of ships and...

Churchill and Roosevelt Spent Years Planning D-Day - HISTORY

By 1950 Churchill had founded the United Europe Movement, a well-funded British pressure group for a European Union; organised the unofficial but foundational Congress of Europe in The Hague; helped create the international European Movement; pressured the European governments west of the Iron Curtain into creating the Council of Europe, Europe's first political institution; championed and helped pass the European Convention on Human Rights in Strasbourg; secured West Germany's re-entry ...
