In *Brave Birds*, cut-paper artist and writer Maude White presents an entirely new collection of sixty-five stunning cut-paper birds. As a source of inspiration, each bird is paired with an original message of kindness and strength associated with its particular traits to encourage bravery and perseverance. Inside, you'll find birds for experiencing Joy, Creativity, Patience, Kindness, Resilience, Communication, Strength, Awareness, Action, and Transformation, and each composition reflects thousands of intricate cuts, lending an astounding level of texture to these delicate and ethereal birds. Appealing to any bird lover or collector of bird art, *Brave Birds* is a beautiful resource for those wishing to practice a life of kindness and empathy.

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review). For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

A natural history of birds provides information on more than nine hundred species of birds, including what they eat, where they build their nests, how many eggs they lay, what habitat they choose, when they migrate, and their current conservation status.

Adam Jacobs, a Jewish seventh grader at Beachmont Middle adores Sally Fletcher. But it is 1966, and Sally is Catholic. Horrified by the religious and racial divisions of their suburban town, Adam and Sally organize a kids' march to protest the Vietnam War and meet Martin Luther King who is shaping the civil rights movement of their day.

A birding site to these Caribbean islands, with information on seasonal distribution, complete lists of mammals and amphibians and reptiles, and thorough travel advice.
