How to Coach for Improved Performance |  
Edward Lowe Foundation

Coaching employees to perform doesn't come naturally or automatically to managers. Coaching is a skill – a process of providing specific interventions to manage employees' behavior. When managers take steps based on "natural" responses to problems or when they follow common practices, their actions are often self-destructive and counterproductive.

Coaching for Improved Work Performance Free Summary by ...

Yup...Coaching for Improved Work Performance. It was brilliant then, and it's brilliant now. There must have been around 40 attendees, all HR professionals, and every single one of us was open-mouthed when Mr. Fournies asked us "why is it that employees don't do what you want them to do?"...and proceeded to give us 14 separate, clear, logical, and convincing reasons why, and equally clear examples of each reason.
