"Mastering PixInsight" does much more than covering PixInsight from A to Z. In addition to including the most complete PixInsight Reference Guide on the planet to date, the book takes an intimate look at RBA's huge private repository of countless personal processing tips, "tricks", methods and know-how accrued over more than ten years.

~~Mastering PixInsight and the art ...—Rogelio Bernal Andree~~

Once an app's color space has been set, developers should see that the colors on the Oculus Quest match the colors in which the app was mastered. Mastering to a known color space on a monitor and using the ColorSpace API can reduce iteration time during development by minimizing time spent checking and adjusting colors on the device.
