## Consulting Customer

### Experience Professionals

#### Forrester

You can use customer experience (CX) strategy consulting to identify customer problems, develop a plan to profitably solve those problems, and build the necessary CX infrastructure. But to realize these benefits, you'll first have to select from a diverse set of vendors that vary by size, capability, geography, and vertical market focus. CX professionals should use this report to understand the value they can expect from a customer experience strategy consulting practice and to select one ...
