An award-winning collection of 50 illustrated jokes perfect for little comedians to practice their funny stuff. Nothing brings people together like sharing a good giggle. And according to smarty-pants doctors and researchers, telling jokes is linked to higher intelligence, creativity, sociability, empathy, and self-esteem in kids. That 's why the folks at Wee Society created this artfully designed book of jokes and pictures. Inside you ' ll find:

- Tips for just-right joke telling
- A spot for recording people ' s reactions
- A joke to illustrate
- And more

Perfect for parents who laugh with their kids, ideal for happy occasions of all kinds, Wee Hee Hee is a joyful book that kids will read over and over again!

Known for its unique " Special Topic " chapters and emphasis on everyday health concerns, the Fifth Edition of Biology of Humans: Concepts, Applications, and Issues continues to personalize the study of human biology with a conversational writing style, stunning art, abundant applications, and tools to help you develop critical-thinking skills. The authors give you a practical and friendly introduction for understanding how their bodies work and for preparing them to navigate today's world of rapidly expanding—and shifting—health information. Each chapter now opens with new " Did You Know? " questions that pique your interest with intriguing and little-known facts about the topic that follows. The Fifth Edition also features a new " Special Topic " chapter (1a) titled " Becoming a Patient: A Major Decision, " which discusses how to select a doctor and/or a hospital, how to research health conditions, and more.

A fascinating look at the history of Time, the world's most influential newsweekly.

Learn all about the hottest games like Marvel Vs. Capcom: Infinite and Spider-Man, how they were developed, and how to beat them in this annual gaming guide. The Science Focus Second Edition is the complete science package for the teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components. The innovative Teacher Edition with CD allows a teacher to approach the teaching and learning of Science with confidence as it includes pages from the student book with wrap around teacher notes including answers, hints, strategies and teaching and assessment advice.

Corporate social responsibility has gained substantial traction in recent decades but many still struggle with conveying the importance of integrating ethics and environmental and social values within the demands of a business world understandably concerned with making profit. First published in 2009 as ' Do the Right Thing ' , The Practical Guide to Corporate Social Responsibility guides you through the basics, teaching how to recognise CSR benefits and put principles into practice in a business-focussed way. This new edition helps readers get to grips with improving their organisation's environmental management, sustainability, health and safety and trading ethics with straightforward guidance and tips. A new ' Do The Right

Thing ' Model assists organisations with identifying risks and frames corporate social responsibility in a business context accessible to all. Features include: An updated Do the Right Thing Model aligned to the new ISO high level structure for management system standards 20 global case studies to demonstrate how the model can impact performance A corporate social responsibility policy template for your organisation ' s use Helpful 'Test your thinking' exercises to check your understanding and stretch your working knowledge 100 practical actions for you to start implementing today This is an essential introduction to the complex areas of corporate social responsibility that affect health and safety practitioners, environmental managers, human resources personnel and those working with quality and business assurance. It will also be critical reading for those looking to understand how CSR fits into the new high level structure of ISO 9001, ISO 14001 and ISO 45001.
