How Creativity Works.

Let me break another misconception about creativity, which is

that it's only used to create completely "new" or "original" things. Again, this is far from the truth.

Because nothing is ever completely new or original.

Everything, including works of art, doesn't

Did It Take Creativity  
to Find Relativity,  
Albert Einstein ...

Creativity is an act  
where we create  
something new –  
something that did not  
exist until we put it  
together. According to  
Psychology Today :  
'Creative thinking  
involves making new
