I loved Drawing on the Right Side of the Brain, and was eager to see how 'seeing' like an artist would help in thinking more creatively. While the fundamental material in the book was well-presented (despite some incorrect 18-x figures in the Kindle version), I was greatly disappointed by a lack of

Drawing is one of the oldest forms of human expression within the visual arts. It is generally concerned with the marking of lines and areas of tone onto paper/other material, where the accurate representation of the visual world is expressed upon a plane surface. Traditional drawings were monochrome, or at least had little colour, while modern colored-pencil drawings may approach or cross a ...
