Dying Light (Logan McRae, #2) by Stuart MacBride

Dying Light sees Lazarus resurrected once more, along with other familiar faces from the first book.
New "baddies" appear in this one and a story that unfolds at a reasonable pace until a downhill rush to
the end where all becomes clear - again in a way that I hadn't predicted. I'm looking forward to the next
in the series, but still don't much fancy visiting Aberdeen!

MacBride's publishing deal was secured with the writing of Halfhead; however, the publishers were more interested in Cold Granite, concerning DS Logan McRae. He was signed on a three-book Logan deal, which was further extended to six books.

Stuart MacBride - Wikipedia

It starts with Rosie Williams, a prostitute, stripped naked and beaten to death down by the docks - the heart of Aberdeen's red light district. For DS Logan McRae, it's a bad start to another bad day. Rosie won't be the only one making an unscheduled trip to the morgue.

Dying Light Audiobook | Stuart MacBride | Audible.co.uk

Dying Light, however, though it still represents a superior example of the genre, fails to live up to the standard set by its predecessor. This is for various reasons, but especially two: the humour which characterised the first book is either absent, or perhaps just less refreshing; and the narrative is simply too long. The plot concerns at least three separate investigations (naturally ...
