Edition aspects of economic development, particularly the role of institutions and cultural factors. Short case studies conclude each chapter and it is a stimulating approach. Excellent introductory review on economic development in its broader sense, not just economic ...

Economic Development (Series in Economics) 9th Edition

Teaches economic development within the context of country-specific examples so that theory is demonstrated through real-world issues. Adopts a problem- and policy-oriented presentation to foster students' ability to understand contemporary economic problems and to reach independent and informed conclusions.
