TEAM BUICK Engine Build Sheet
Anyone have or know where I could get a hold an engine builders spec sheet (Blank Form) that is used to record all the vital measurements and specs when building an engine? I'm hoping to find something that allows some detail not just general stuff. I have seen a few but they were pretty crappy. Maybe someone out there has made there own form and is willing to share a blank copy.

2021 Corvette Stingray | Mid-Engine Sports Car | Chevrolet
Most spec sheets begin with the basics, like "engine type" or "configuration." This tells you the number and arrangement of cylinders—i.e., "in-line six-cylinder"—and the aspiration, which indicates whether the engine is turbocharged or turbocharged and aftercooled; if the engine is neither, it will be described as naturally aspirated.
