environmental diplomacy negotiating more effective global ...

Environmental Diplomacy: Negotiating More Effective Global Agreements provides an accessible narrative on understanding the geopolitics of negotiating international environmental agreements and clear guidance on improving the current system. In this book, authors Lawrence Susskind and Saleem Ali expertly observe international environmental negotiations to effectively inform the reader on the geopolitics of protecting our planet.

Environmental Diplomacy: Negotiating More Effective Global ...

Environmental Diplomacy argues for "nearly self-enforcing" agreements that ensure compliance without threatening sovereignty and maintains that new institutional arrangements are within reach. Susskind builds on the work of the Program on Negotiation at the Harvard Law School and the International Environmental Negotiation Network to offer guidelines for more effective global agreements that provide for sustainable development.
