The book, "Everything
is Mama" by Jimmy
Fallon is a short and
sweet, easy to read,
postmodern
picturebook. The
story goes through
different words, with
an animal only
replying "MAMA" to

Get Free Everything Is

Mama. This book really didn't have a lot of words, or context, it is just a very simple book that I assume is for children just now learning to read.

Mama The premise of Everything Is Mama -- that a kid would call a balloon "Mama" when a parent says it's "Balloon" -- is pretty contrived, seeming to serve primarily as a setup for the big message at the end. And that message's wording and meaning could be challenging for a toddler to grasp:
