Les corrigés des 600 exercices de la nouvelle édition de L'Exercisier. Entièrement actualisée, la nouvelle version de ce best-seller du FLE s'adresse à des apprenants des niveaux B1 et B2 du CECR. Elle propose un très grand nombre d'exercices et d'activités de niveaux différents. Pour chaque point de grammaire, les parties "L'essentiel sur..." et "Boîtes à outils" donnent aux apprenants des informations claires et synthétiques permettant de comprendre et mémoriser les structures de la langue française. Un enrichissement lexical et de civilisation est proposé tout au long de l'ouvrage, permettant ainsi de développer d'autres compétences linguistiques. Les exercices de nature variée proposent des activités communicatives. Ils s'appuient sur de nombreux documents (articles, publicités, photographies, dessins, statistiques, etc.). Un index des exercices permet de repérer rapidement, pour chaque point de grammaire, la difficulté des exercices.

Bestselling Programming Tutorial and Reference Completely Rewritten for the New C++11 Standard Fully updated and recast for the newly released C++11 standard, this authoritative and comprehensive introduction to C++ will help you to learn the language fast, and to use it in modern, highly effective ways. Highlighting today's best practices, the authors show how to use both the core language and its standard library to write efficient, readable, and powerful code. C++ Primer, Fifth Edition, introduces the C++ standard library from the outset, drawing on its common functions and facilities to help you write useful programs without first having to master every language detail. The book's many examples have been revised to use the new language features and demonstrate how to make the best use of them. This book is a proven tutorial for those new to C++, an authoritative discussion of core C++ concepts and techniques, and a valuable resource for experienced programmers, especially those eager to see C++11 enhancements illuminated. Start Fast and Achieve More Learn how to use the new C++11 language features and the standard library to build robust programs quickly, and get comfortable with high-level programming Learn through examples that illuminate today's best coding styles and program design techniques Understand the "rationale behind the rules": why C++11 works as it does Use the extensive crossreferences to help you connect related concepts and insights Benefit from up-to-date learning aids and exercises that emphasize key points, help you to avoid pitfalls, promote good practices, and reinforce what you've learned Access the source code for the extended examples from informit.com/title/0321714113 C++ Primer, Fifth Edition, features an enhanced, layflat binding, which allows the book to stay open more easily when placed on a flat surface. This special binding method—noticeable by a small space inside the spine—also increases durability.

Using a process-writing approach, this third-year composition text will help students master their writing skills in order to become confident authors, who have found their voice in written French. The text is set up in a workbook format and is written entirely in French, except for the first chapter. Each chapter begins and ends with a creative writing exercise. In between these book-ends, students will broaden their repertoire of related speech acts, vocabulary, grammatical structures and stylistic elements as illustrated by their usage a literary piece, journalistic selection, or informal writing, drawn from the rich repertoire of Francophone (written) production (expression). Ru: In Vietnamese it means lullaby; in French it is a small stream, but also signifies a flow - of tears, blood, money. Kim Thúy's Ru is literature at its most crystalline: the flow of a life on the tides of unrest and on to more peaceful waters. In vignettes of exquisite clarity, sharp observation and sly wit, we are carried along on an unforgettable journey from a palatial residence in Saigon to a crowded and muddy Malaysian refugee camp, and onward to a new life in Quebec. There, the young girl feels the embrace of a new community, and revels in the chance to be part of the American Dream. As an adult, the waters become rough again: now a
