[Book]

I think this book would be an excellent addition to any facility manager in England (5 stars). It is written and published for the British market and details all the UK's rules, procedures and laws. However, not so much for the U.S. market. Although some of the working lists relate, it isn't enough to buy it in the United States.

Facilities Management Handbook, Fourth Edition: Booty ...

- Both the organization and the facility manager should have a specific philosophy about facilities.
- Facility management (FM) is an essential business function; the facility manager is a business manager and should be placed at the same level as the managers of human resources and information technology.
