Fahrenheit FLCH4R Installation, Operation & Maintenance ...

Fahrenheit offers a broad array of versatile electric heating solutions for both residential and light commercial applications. Our product line consists of Standard & Hydronic Baseboard Heaters, Fan-Forced Wall and Garage Heaters, Personal Comfort Heaters, and Thermostats. Designed to meet your needs for either primary or supplemental heating,

Fahrenheit | Marley Engineered Products  
After a little research, I chose a new Fahrenheit FUH54 garage heater. At 5000 watts, it is still undersized for my 24' x 28' garage, but it will provide more heat than my old heater did. Fahrenheit makes a 7500 watt model also, but I would have had to run new wiring for that one. The existing wiring already had 10/3 cable, so the FUH54 was the ...

Installing a Fahrenheit FUH54 Electric Garage Heater

Quick comfort – that's what you'll get with this baseboard convector. This hard-wired heater provides fan-free warmth without circulating dust and debris. There's no need to worry about the unit overheating – its thermal cutoff function disconnects the power if it senses an unnecessarily high temperature.
