Faithful Finances 101: From the Poverty of Fear and Greed ...

Faithful Finances 101 is a first-person narrative by outspoken advocate of faith-based investing. A senior vice president of investments at Paine Webber before founding his own investment firm as "counsel to ethical and spiritual investors," Gary Moore warns that much of the economic advice emanating from some popular and influential evangelical authors and speakers is based on scare tactics and distortions of what the Bible has to say about finances.

Faithful Finances 101 - Templeton Press

FAITHFUL FINANCES 101 is a powerful Christian look at how believers should deal with finances. There are many Christian books, courses and materials on finances, not only because Jesus spoke more about money than he did about salvation, but also because people need help with their finances. Author Gary Moore, who went from being a successful financier to spending many years working with Sir John Templeton, has crafted a book that explores finances in context of a thoroughly sound theological ...
