I feel like the first time with anybody is really awkward, especially for us because it was both of our first time. It hurt for her and she bled a little bit. I don't feel like my first time is worth remembering other than the fact that it was my first time (laughs)—that's the only reason the story is memorable.

A lot of people write the story about the first time they had sex or the first threesome they ever had; you know, things like that. Well, this is about a first, too, but it was the first time I watched the semen shoot out of a boy's dick. Well, maybe not a life-changing event, but, for me, close to it at age sixteen.
