Forrest Griffin isnt the best fighter in the world, hes not the most intellegent, hes not even the best looking - all things that Forrest would and even does admit in this book. Griffin however may just be the funniest and perhaps the craziest fighter in the world. First of all this book is not really a biography or a training manual. In fairness it is kind of difficult to catagorise exactly ...

Forrest Griffin books and biography | Waterstones

Wondering why you should purchase this book when there are other titles written by much higher-caliber fighters? Well, Forrest Griffin is not as good-looking as those guys. He's not as smart as them or as athletically endowed. And let's face it, neither are you. If you get off on having your face rearranged, though, Got Fight? is for you.
