» MANAGING YOURSELF The only way to discover your strengths is through feedback analysis. Whenever you make a key decision or take a key action, write down what you expect will happen. Nine or 12 months later, compare the actual results with your expectations. I have been practic-ing this method for 15 to 20 years now.

Managing Oneself is a short book written by Peter Drucker in 1999 and published by Harvard Business Review. Drucker says in this book that today, in a society where most of us are knowledge workers and will have a useful working life of about 50 years, it is essential to learn to manage ourselves. Only then will we be able to place ourselves where our contribution is most valued at all times.
