"Shortly after I sat down with Negotiation Genius, I reached for pen and pad and began to make notes. Thirty-five years in the space with hundreds of major negotiations, and this work still has something to teach me. It's the rare book that I would recommend to people at any experience level.

Where To Download Free Negotiation Genius Book

Negotiation Genius by Deepak Malhotra, Max Bazerman ...
While Negotiation Genius is a textbook, it does not really read like one. The thought process behind negotiation strategy is laid out very effectively. The work begins with an introduction to value creation and capturing, explores the psychology of negotiation including non-rational behaviour, and tackles key real life issues including negotiating from weakness, handling liars etc.
