A more common way that a democracy becomes a dictatorship happens when a large portion of the population becomes overly religious. As religion’s power and focus grows in a country, people may begin applying pressure to give religious heads a seat in government. While this route, there’s no guarantee that a dictatorship will form.

How Do Democracies Become Dictatorships?

Javier Tusell was Professor of Contemporary History at the National University of Distance Learning (UNED). Best known as a historian of contemporary Spain, he published more than 50 books on the subject in his lifetime. During an early foray into politics, he negotiated the return to Spain of Picasso’s anti-war masterpiece, Guernica, and was elected UCD councillor for Madrid in 1979.
