The History of German foreign policy covers diplomatic developments and international history since 1871. Before 1871, Prussia was the dominant factor in German affairs, but there were numerous smaller states. The question of excluding or including Austria's influence was settled by the Prussian victory in the Austro-Prussian War in 1866. The unification of Germany was made possible by the Franco-Prussian War of 1870-71, in which the smaller states joined behind Prussia in a smashing ...

German reunification - Wikipedia

Germany's Post-Reunification Foreign Policy. By John Feffer. Germany has played an outsized role in Europe after reunification in 1990. But that role has largely been economic. There were many fears at the end of the Cold War that a reunified Germany would destabilize Europe. Margaret Thatcher kept a map of Germany's 1937 borders in her purse to illustrate her anxieties about the "German problem," and many of her French and Polish interlocutors didn't need convincing.
