Using bisexuality as a frame, Go the Way Your Blood Beats questions the division of sexuality into straight and gay, in a timely exploration of the complex histories and psychologies of human desire. A challenge to the idea that sexuality can either ever be fully known or neatly categorised, it is a meditation on desire's unknowability.

~~Go the Way Your Blood Beats: On Truth, Bisexuality and ...~~

An interesting read on an important subject, Go The Way Your Blood Beats is a manifesto made intensely personal by the re-telling of the authors own personal journey. He examines how bisexuality is viewed within society, and the assumptions and pressures that can be created for its inhabitants.
