Rapid Review Pathology - 5th Edition - Elsevier

The document is a very rapid review of the pathology

Get Free Goljan Rapid Review Pathology 2nd Edition

associations that are most common and most important to Steps 1 and 2. It is long (30-40 pages) and very dense (no pictures, small font size, all pages are full of text) but it highlights very efficiently the high points of pathology for the USMLE.

Goljan Audio Lectures and High Yield Notes ...

Rapid review is a waste of time. I only used Pathoma and did great on Step 1 (270). Seriously, that is all you need to know. You have to know his book cold, though, but that isn't so hard after watching all of the videos 5-7 times. I did not even look at RR. Pathoma + First Aid + Uworld alone will get you above 240 for sure.

The book provides rationales for each question which will ...
Goljan also has a series of audio lectures that I highly recommend. If you ask around people in your med school you should be able to find it pretty easily. Do you guys think goljan rapid review, pathoma, and first aid are adequate for content review before hitting the q-banks?

Pathoma v. Goljan Rapid Review- what is the difference ...
Pathoma is my main source for pathology review. Goljan's Rapid Review Pathology is a bit more detailed and fills in the gaps. I have Robbins Review of Pathology but haven't really used it, since class notes/Pathoma/Goljan are enough for me.
