EQAO releases examples of actual questions from its previous assessment booklets to help students, parents and educators get familiar with the format of the assessment and the type of questions asked. We provide scoring guides and sample student responses to show how the assessments are scored and what student responses at each score code look like. The last five years of released assessment ...

EQAO and Exam Review (Mrs. Behnke's Math Classes)
This decision will not impact Grade 9 math credit completion, and the final mark will now be based solely on other summative assessments, and EQAO will not factor in the final mark. As we move forward in the year, we will have to work in collaboration with other boards and the Ministry of Education to determine what will happen with the possible assessment of EQAO later in the year.

Update on Status of Grade 9 EQAO Assessments
