**Guided Procedure  
Management - SAP**  
Manual steps consist of  
manual activities. A  
manual activity is an  
activity that the user of  
the guided procedure  
has to carry out in the  
managed system or in  
SAP Solution Manager.

# Acces PDF

## Guided

It cannot be automated, but you can provide a navigation link to open the transaction, URL or report which performs the manual activity.
