reading process through the development of reading strategies which assist decoding and construct meaning. The teacher guides or 'scaffolds' their students as they read, talk and think their way through a text (Department of Education, 1997).

Guided reading - Department of Education and Training

Reading Response activities will likely form a major part of your reading programme, whether you are running guided reading groups, a daily 5 system, literature circles or a reading workshop set up. It is time-consuming to create follow up activities for every book or text that your students read, so it is great to have ready to go activities that work across a range of genre.
