When the poet Heine remarked that in Hamburg "the customs are English," he was referring to its no-nonsense mercantile ethos which dates back to the era of the Hanseatic League. Yet even in Heine's day the "celebrated philistinism" of the city fathers was balanced by a tradition of private philanthropy: Hamburg has long been a city of culture as well as commerce.

The history of Hamburg begins with its foundation in the 9th century as a mission settlement to convert the Saxons. Since the Middle Ages, Hamburg was an important trading center in Europe. The convenient location of the port and its independence as a city and state for centuries strengthened this position. The city was member in the medieval Hanseatic trading league and a free imperial city of the Holy Roman Empire. From 1815 until 1866 Hamburg was an independent and sovereign state of the Germ

History of Hamburg - Wikipedia

Hamburg's history begins with the Hammaburg, a moated castle of modest size, built in about ad 825 on a sandy promontory between the Alster and Elbe rivers. In 834, during the reign of the emperor Louis the Pious , the castle's baptistry became the seat of an archbishopric, and Archbishop Ansgar made the young city of Hamburg the base of his missions to the heathens of northern Europe.
