Collecting Hellblazer #23-24 and #28-33, this collection features one of the creepiest stories from fan-favourite Hellblazer writer Jamie Delano! A twist of fate sends John Constantine into the path of a serial killer known as The Family Man, whose bloody actions force the con-man mage to make a shattering choice in their final showdown.

Hellblazer is a freight train of storytelling as always. Family Man is a 10/10 and I have a particular soft spot for Morrison's bomb storyline even if it feels a bit too much like Fear Machine.

Also, be wary of misprinting. My copy's section for Hold Me has alot of it missing which is quite frustrating.
