...

Fancy a peek at someone else's personal emails? Holly Denham is just like you and me: she works 9-5; she plans to be more ambitious (next year); she drinks far too much at weekends (and on weekdays). And she's completely addicted to emailing her friends. Holly's email inbox is a sizzling hotbed of gossip, romance, scandal and secrets.

Holly's Inbox is unbelievably, compulsively readable. It's very much like peeking into someone else's mailbox, but not quite so cryptic as real-life emails can be. It's very much like peeking into someone else's mailbox, but not quite so cryptic as real-life emails can be.
